

Date: February 26th, 2019

O/Ref.039.19/ACO

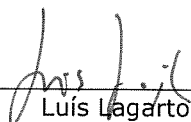

Subject: (EN9110 8.4.3 g) Requirements - Information Request

Dear Supplier,

According to OGMA's ISO9110 Certification we must guarantee that our suppliers comply with EN9110 8.4.3 g) requirements. For that purpose we kindly request your best support providing us evidences from your Policies, Programs and Quality Procedures regarding the prevention of the use of unapproved and suspected unapproved parts.

Required information should be sent by email to joao.rui.pereira@ogma.pt until March 8th 2019.

Greetings,

Luís Lagarto
Procurement Director
